

Design Office

**Conferdo GmbH & Co. KG
Esterwegen, Germany**

Business issues

- Bearing framework
- Sloped columns
- Drawings for fabrication

"We have been using Advance Steel for many years and we are very satisfied with the software."

Rainer Bach and Georg Stichternath,
Managing Director at Conferdo GmbH & Co. KG

Business results

- Easy 3D Modeling
- Quick Connection with Design
- Precise workshop drawings with exact dimensions and Bills of Materials
