

# ADVANCE STEEL- 2015

## TO IMPORT 3/8 ASTM 307 BOLT USING AS MANAGEMENT TOOLS

Open your **Management tools>Bolts** select the icon at the upper left **Import bolts**

The **38 ASTM 307.zip** or **38 ASTM 307.rar** you received from support should be extracted to the format below.

A307.mdb 761,856 40,805 Microsoft Access ... 24/10/2014 4:35 PM C7748D9D

Navigate to the **A307.mdb** file and **select it**. Your **38 ASTM 307 bolt** should be imported.
